We Can and Do

Guarantee Dr. Acker's Blood Elixir,
for it has been fully demonstrated to
the people of this country that it is
far superior to all other preparations
for blood diseases. It is a positive
cure for syphilitic poisoning, Ulcers,
Eruptions and Pimples. It purifies
the whole system and thoroughly
builds up the constitution.

Emil Sydow has on exhibition at his
Bonanza Cash Store an engraving
showing the annual burning of garden
seeds left over at the close of the sea-
son at D. Landreth & Co.'s garden
seed farm, Philadelphia. D. Land-
reth & Co. also instruct their agents
to do likewise, thereby insuring their
customers fresh seeds every year. For
an additional precaution every pack-
age of their seeds is dated. They are
the oldest seed firm in the United
States, being established since 1784,
and are very jealous of their reputa-
tion.

A full and complete assortment of
these seeds at Emil Sydow's Bonanza

That Order.

It will be remembered by readers of
the PROSPECTOR that ex-Sheriff Slaughter
received a telegram a few weeks
since from the American consul at
Guaymas, informing him that an order
had been made allowing all cattlemen
to cross the border of Mexico in search
of "strays," without the formality of
even calling at the customs houses for
a permit before so doing. That there
is some hitch in the carrying out of
this order is apparent from a commun-
ication appearing in the N. gales Rec-
ord from a Pima county cattleman, in
which he states that upon the strength
of this information a number of our
cattlemen, with their vaqueros, started
with the above object, but on reaching
the Mexican custom house at Nogales
they were refused permission to pass
into Mexico, and were told that if they
did gather their cattle they would not
be allowed to drive them out of Mex-
ico.

Several years ago Chamberlain &
Co., of Des Moines, Iowa, commenced
the manufacture of a cough syrup, be-
lieving it to be the most prompt and
reliable preparation yet produced for
coughs, colds and croup; that the pub-
lic appreciate true merit, and in time
it was certain to become popular.
Their most sanguine hopes have been
more than realized. Over three hun-
dred thousand bottles of Chamberlain's
Cough Remedy are now sold each
year, and it is recognized as "the best
made," wherever known. It will cure
a severe cold in less time than any
other treatment. For sale by H. J.
Peto.

Miles County.

The boundary line of the new coun-
ty begins at a point about twelve miles
east of the Pinal county line, runs
south till five miles east of Tres Al-
amos, thence east to a point near Ru-
selville, thence south to a point near
Billy Furr's ranch, thence directly
east to the New Mexican line. The
proposed county takes in nearly all of
the S. P. railroad, and will when the
projected change of route is accom-
plished take all of that line of road in
its limits.

Electric Bitters.

This remedy is becoming so well
known and so popular as to need no
special mention. All who have used
Electric Bitters sing the same song of
praise. A purer medicine does not
exist and it is guaranteed to do all
that is claimed. Electric Bitters will
cure all diseases of the Liver and Kid-
neys, will remove Pimples, Boils, Salt
Rheum and other affections caused by
impure blood. Will drive Malaria
from the system and prevent as well
as cure all Malarial fevers. For cure
of Headache, Constipation and Indi-
gestion try Electric Bitters. Entire
satisfaction guaranteed, or money re-
funded. Price 50 cents and \$1.00 per
bottle at J. Yonge's Drug store.

Fronounced Hopeless, Yet Saved.

From a letter written by Mrs. Ada E.
Hurd of Groton, S. D., we quote:
"Was taken with a bad cold, which
settled on my lungs, cough set in and
finally terminated in consumption.
Four doctors gave me up saying I
could live but a short time. I gave
myself up to my Savior, determined if
I could not stay with my friends on
earth, I would meet my absent ones
above. My husband was advised to
get Dr. King's New Discovery for my
Consumption, Coughs and Colds. I
gave it a trial, took in all eight bot-
tles; it has cured me and thank God
I am now a well and hearty woman."
Trial bottles free at
J. Young's Drugstore, regular size, 50c
and \$1.00.

Specimen Cases.

S. H. Clifford, New Cassel, Wis., was
troubled with Neuralgia and Rheuma-
tism, his Stomach was disordered, his
Liver was affected to an alarming de-
gree, appetite fell away, and he was
terribly reduced in flesh and strength.
Three bottles of Electric Bitters cured
him.

Edward Shepherd, Harrisburg, Ill.,
had a running sore on his leg of eight
years' standing. Used three bottles of
Electric Bitters and seven boxes of
Bucklen's Arnica Salve, and his leg is
sound and well. John Speaker, Ca-
tawba, O., had five large Fever sores
on his leg; doctors said he was incur-
able. One bottle Electric Bitters and
one box Bucklen's Arnica Salve cured
him entirely. Sold at J. Yonge's
drug store.

Some Information.

Mr. C. S. Clark, Speaker of the
House, came home last Saturday
night and remained till late this after-
noon. In conversation with him on
general topics the information was
gleaned that the entire delegation
from Cochise county is against divi-
sion. Captain Tevis, who alone will be
in the new county, is strongly opposed
to it. The reports that have been cir-
culated to the effect that Capt. Tevis
and Capt. Heyne were in favor of divi-
sion is strongly contradicted. Mr.
Clark thinks that the Circuit Court
bill will be thoroughly discussed pro
and con, before anything is done with
it. He believes the Governor is a
very fair minded man and will study
the wishes of the people in all of his
movements. He pays the President
of the Council, Fred Hughes, the com-
pliment of being friendly to Cochise
and in favor of fair play on all propo-
sitions coming before that body. The
new mining law, which compels \$100
worth of work to be done upon a
claim before recording it, will, he
thinks, become a law, as it seems to be
universally favored. There will prob-
ably be no opposition to the bill pro-
viding for the admission of our Terri-
tory to Statehood. One is led to infer
from his description that the many ru-
mors that are floating around regard-
ing the probable jobs to be consum-
mated are mostly wind and emanate
from sources entirely unreliable.

To the Public.

Miss Nellie Walsh has taken charge
of the Can Can restaurant, and in fu-
ture will conduct that favorite house
in the same manner as has character-
ized its past management. She re-
spectfully asks a share of the patron-
age of the public and will endeavor to
please all patrons.

Do you know that you can
buy a chimney to fit your lamp
that will last till some acci-
dent happens to it?

Do you know that Macbeth's
"pearl top" or "pearl glass"
is that chimney?

You can have it—your
dealer will get it—if you insist
on it. He may tell you it
costs him three times as much
as some others. That is true.
He may say they are just as
good. Don't you believe it—
they may be better for him;
he may like the breaking.

Pittsburg. GEO. A. MACBETH & CO.

There is no danger of a cold result-
ing in pneumonia when Chamberlain's
Cough Remedy is used as directed
"for a severe cold." It effectually
counteracts and arrests any tendency
of a cold to result in pneumonia. This
fact was fully proven in thousands of
cases during the epidemic of influenza
last winter. For sale by H. J. Peto.

Lottery Mail Seized.

CAMDEN, N. J., Jan. 21.—Postmas-
ter Browning made his third seizure
to-day of lottery mail matter address-
ed to residents of this city. The mat-
ter consisted of about seventy-five cir-
culars of the Louisiana Lottery Com-
pany, stating that a drawing of the
lottery would be held on the 17th day
of February, and that all tickets draw-
ing less than \$1000 would be cashed
at an address in Boston, and those
drawing over that amount would be
cashed at New Orleans.

In accordance with the instructions
he has received from Washington,
Postmaster Browning forwarded the
entire lot to Postmaster General Wan-
maker. [New York Sun, Jan. 22d.]

attracted the attention of Mrs. Anna
